

# WE HELP TO HELP

## WE HELP YOU TO SHARE YOUR KNOWLEDGE!

Volunteers for Education Programme is:

- Weekly classes for preparing high school students for matura exams, prepared by students-volunteers;
- Training for volunteers in the field of teaching methodology and dealing with difficult situations;
- Trainings for students (motivation with elements of coaching);
- Integration meetings (for students and volunteers).

The project was implemented in cooperation with the prof. Andrzej Tymowski Social Welfare Centre in the Śródmieście District.

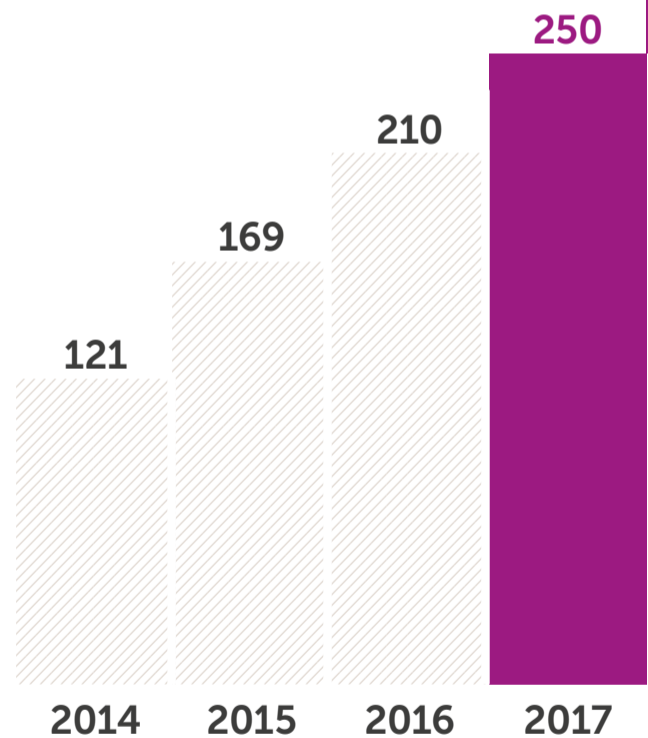

## KARMA RETURNS!

IN WINTER THE WHOLE UNIVERSITY COLLECTS FOOD AND ACCESSORIES FOR ANIMALS

Since 2014, we have been engaging the entire University to collect food and essential products for animals that are under the care of NGOs and animal shelters.

## PET FOOD IN KILOGRAMS

## WOLO – THE BUILDER

Together with volunteers, we build houses for birds and urban felines.
