

VOLUNTEERING IS DEVELOPMENT

The Volunteers examined:

- Criteria for foreigners for choosing UW and their functioning at our University
- The image of UW and what shapes it
- Reasons for giving up the studies after the first year
- Creativity monitoring – innovative tools for monitoring the implementation of the city development strategies
- Social dialogue of the City Hall of Warsaw and the local cultural environment
- Factors determining the participation of Warsaw residents in local events
- Social reception of city benches in Warsaw

THAT IS NOT EVERYTHING!

We organized Anti-discrimination and Anti-violence Workshops for Foreign and Polish Students, which were a part of the UW participatory budget.

We are a partner of the Academy of Trainers, which helps participants gain and improve their coaching skills and implement their own workshop modules.

WE HAVE EVEN MORE PROJECTS AND ACTIVITIES PROMOTING AND SUPPORTING SOCIAL INVOLVEMENT TO BE STARTED SOON. JOIN US!
